Good Afternoon!

## **Parke County's Bicentennial ALL-IN Community Block Party**

Parke County's Bicentennial ALL-IN Community Block Party

Parke County Courthouse, Rockville, in

### **Event Description**

On September 22, the Indiana bicentennial torch relay will pass through Parke County. To celebrate this historic event, the Parke County Bicentennial Committee has arranged an All-In Block Party with Indiana Humanities around the courthouse square that day from 11am-4pm.

Local businesses and organizations are encouraged to participate by hosting booths around the square. At these booths you can display your organization's mission and as well as offer a bicentennial challenge. These challenges consist of themes such as naming regional politicians, asking celebrators what their favorite state park is, or testing one's knowledge on naming Indiana counties.

Local restaurants will also be participating and live music will be available. The Parke County Bicentennial Committee will provide you with some supplies for your challenges. If you are interested in more information please contact us at 765-569-7223 or [parkebicentennial@gmail.com](mailto:parkebicentennial@gmail.com)! Please share this information with organizations you feel may be interested as well.

You may preregister but following this link:
