

**PARKE COUNTY
RESOLUTION 2014-03**

A RESOLUTION ESTABLISHING POLLING PLACES

The polls for each precinct may be located in only one (1) place and are designated by the County Commissioners of each county. The County Commissioners must designate polling places not less than twenty-nine (29) days before Election Day. Precinct polling places are permanent and remain unchanged until the Board of Commissioners orders otherwise. As a result County Commissioners are only required to designate polling places if there is a change (IC 3-11-8-3.1)

Each polling place must be located in an accessible facility for elderly voters and voters with disabilities. The polling place must comply with state and federal standards concerning parking areas, paths to the facility where voting occurs, the entrance to the facility, passages within the facility, and the room or area within the facility where voting occurs. (IC 3-11-8-1.2)

The County Commissioners must publish a legal notice stating the location of each polling places for each precinct. The County Commissioners must publish this list of polling places at least once, at least ten (10) days before the election. If it is necessary to make a change after publication, notice of the change must be provided in the same manner. The legal notice must indicate that the polls for each precinct are located in an accessible facility (IC3-11-8-3.2)

NOW, THEREFORE, BE IT RESOLVED; by the Parke County Board of Commissioner's that polling locations for Parke County is established in the following manner:
